## **DTLA Notice To All Adopters**

### **Approval of Persistent Storage Technology(ies)**

DTLA has granted approval to the following technology(ies) for the persistent protected storage of content that has been delivered using DTCP, pursuant to Appendix B, Part 1, Section 2.2.1 of the Adopter Agreement:

- Vidi Content Protection System (“VCPS” or “Vidi”), licensed by Koninklijke Philips Electronics N.V.

### **Questions?**

Should you have any questions, please contact DTLA at <[DTCP-Services@dtcp.com](mailto:DTCP-Services@dtcp.com)>.
