Dear Sir

DOCUMENT COPY ORIGINAL

My wife and I currently listen to K-Love Radio and enjoy it, we have also supported them financially.

We hope through letters like this that you will understand the good purpose that K-Love serves to various communities like ours.

K-Love not only provides good music but covers great topics for family.

Thanks for listening, and keeping them on the air.

Re: MB Docket No. 04-233

I am writing to request current FM translator service not to be displaced by low power FM (LPFM).

I listen to K-LOVE which is only broadcast on current FM translator service and it is very positive and encouraging.

I request K-LOVE not be displaced by an LPFM broadcaster providing other programming. K-LOVE broadcasts in my area of Cincinnati on 104.3, 96.9, and 102.3. To the local community would be a great

loss of family-friendly
broadcasting if this
displacement occurred.

Also, the service
providing K-LOVE is
of good public interest
because it improves
values and family
friendly songs and
messages are provided.

Thank you for
considering my comments
in your decision.

To whom it may concern,

Concerning "MB Docket No. 04-233"

Please do not allow new LPFM stations to take priority over current FM translator services. If this is allowed my family and myself will no longer be able to receive our favorite station K-LOVE.

K-LOVE, is the one place on the radio that my family, myself and many others in our area, can turn to for positive, uplifting and inspirational broadcasting 24 hours a day, 7 days a week.

K-LOVE would be truly missed in the heartland of America.

Thank you for your considering our point-of-view

THIS IS IN REGARD TO YOUR LOCALISM CAMPAIGN. MY COMPUTER IS DOWN SO I'M WRITING. MY HAND IS BROKEN, SO BARE WITH ME.

IN REFERENCE TO "MB DOCKET No. 04-233", THE RADIO STATION K-LOVE SHOULD NEVER BE REPLACED WITH ANOTHER SIGNAL.

K-LOVE SERVES ME AS A RESIDENT OF MY LOCAL COMMUNITY. I AM 41 YRS. OLD, AND TEACH A CLASS AT MY CHURCH FOR SINGLE ADULTS. THE MUSIC ON K-LOVE INSPIRES THE MESSAGE I TRY TO TEACH; TO LIVE A MORAL LIFE. IF K-LOVE WERE TO BE DISPLACED BY AN LPFM BROADCASTER PROVIDING OTHER PROGRAMMING, IT WOULD SURELY HAVE A NEGATIVE EFFECT ON THE LOCAL COMMUNITY. WE WOULD HAVE MORE TEENAGERS ON DRUGS; OUT OF CHURCH; AND OUT OF CONTROL FOR ONE EXAMPLE. AND, I BELIEVE, ADULTS AS WELL. I BELIEVE THE SERVICE PROVIDED BY K-LOVE IS IN THE PUBLIC INTEREST BECAUSE THE MUSIC IS CLEAN; WHOLE SOME; AND SAFE FOR ALL AGES. K-LOVE SPREADS THE LOVE OF JESUS CHRIST FOR THIS WORLD - EVEN TO OUR TROOPS IN IRAQ. THEIR MUSIC IS POSITIVE AND ENCOURAGING TO PEOPLE WHO ARE DEPRESSED AND SO ARE THEIR ANNOUNCERS.

THANK YOU FOR READING THIS. PLEASE CONSIDER IT'S CONTENT.

To MIB Docket under no. 04-233,
I am writing to tell you the importance
K-love is providing encouraging songs
& programming that is much needed!
At work the K-Love station provides
songs that are uplifting & bring me
hopes and a continued focus on what
is important in life and better serve
those around me. And build stronger
& healthy relationships that might
other wise be possible.

One co-worker in particular used to
not be able to keep her temper and
now she is more prone to turn
K-love on & rejoice with singing
because she has a clearer
understanding of the hope God
can bring her & new God
differently.

I have talked to many others who
talk about how K-love is what
keeps them connected to others who
are getting encouraged by the same
music & prayer is felt to
give strength.

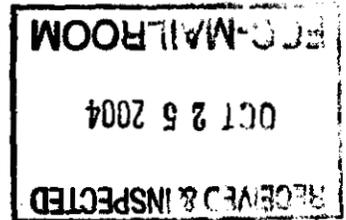

"Your love has given me great joy and encouragement..." Philemon 1:7

For me I can't drive & it's been a continued frustration since March and will at least be three months more. K-Love keeps me company when I can't go anywhere and are available to call to help me through struggles & pray with me.

Please understand the need to keep K-Love on the air & realize many rely on K-Love every day!

Sincerely,
Emma Jess

To Whom It May Concern:

I am writing regarding MB Docket No. 04-233, and the impact it may have upon our local community. Currently, K-LOVE is located at Radio Station 106.7, and serves our community by providing advertising-free, uplifting music and messages that my entire family can enjoy.

If K-LOVE were to be displaced by an LPFM broadcaster, our local community would suffer a loss of wholesome, family-friendly values. The impact on our community would reflect a negative sense of values and morals.

The personal encouragement and service that K-LOVE provides to our community is invaluable and cannot be replaced. Thank you for not replacing K-LOVE 106.7 with an LPFM station.

DOCKET NUMBER: 04-233

Dear FCC,
Please don't change our K-LOVE 90.7 station!
This station, heard by thousands has the power
to change lives by bringing Christ into our
cars everyday. How horrible to think of not being
able to access K-LOVE while in my car or in
my home with the radio tuned into 90.7. I
believe this is the only positive, uplifting and
encouraging station myself and many others
listen to. Please do not change it to a LPFM!
Thank you - Kathleen Hawley

To whom it may concern:

It has been brought to my attention that you are considering to expand a new broadcast service known as Low Power FM (LPFM) and that by expanding this service, it would take priority over current FM stations such as KLOVE. It is my strongest objection that you would consider this action. K-LOVE provides a multitude of vital services to my community. It provides one of the only family friendly programming on the air today. KLOVE is also not biased toward any political candidates. It provides current news and commentary. This station is encouraging to listen to. You come away with a smile instead of tears. It's refreshing to be able to listen to a station that you don't have to listen to lyrics about divorce, adultery, rape, murder, etc. that are so popular in the mainstream FM stations. In my area, KLOVE is heard on 89.3, 90.9, and 91.1. Please take my request into consideration; otherwise I will probably just keep my radio turned off for lack appropriate stations to listen to, especially with my kids in the car.

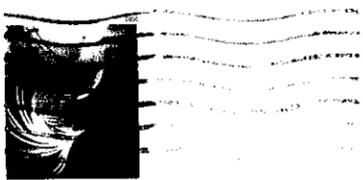

Sincerely,

Dear FCC,

In regards to "MB Docket No. 04-233"

I hope your considerations for (LPTM) will

not affect the services of K-LOVE.

K-LOVE, has been an integral part in my life ever since I discovered it on 94.3 FM out of Elgin, ILLINOIS. I was going through a rough period in my life and the station helped in my restoration.

I am a avid listener and supporter of

K-LOVE. No other station, that I know

of that is not public sponsored will bring

the message of Christ like K-LOVE and

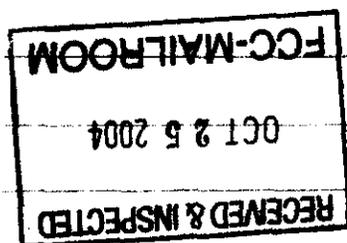

related stations.

If there is no K-LOVE station to encourage and inspire people, what will be left. If this station is taken off the air, then the FCC should never complain about the ill in society because of contributed to silencing one of the positive voices in society.

It is in the best interest for the public to have something to hold onto in dealing with the daily challenges of life and that is what X-LOVE offers, an outlet for people like me and others.

I hope that every effort is taken into consideration to keep such a positive station and ministry on the air.

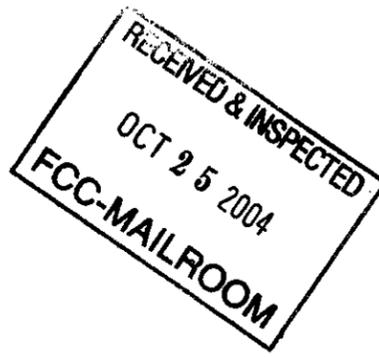

Sincerely,

DEAR FCC,

I'M WRITING AND ASKING YOU "NOT" TO TAKE K-LOVE OFF THE AIR. K-LOVE IS THE ONLY STATION (88.9) I LISTEN TO. K-LOVE IS ENCOURAGING, REFRESHING, WHOLESOME, AND IT IS A SPIRITUAL UPLIFTING WHEN YOU ARE DOWN IN YOUR SPIRIT.

YOU WOULD BE AMAZED ABOUT THE PEOPLE IN THE WELAND, AND WILMINGTON, N.C. AREA THAT LISTEN TO K-LOVE, AND PLUS ACROSS THE UNITED STATES WHERE PEOPLE GET THE K-LOVE STATIONS.

IT WOULD HURT OUR TOWNS, AND CITIES, AND OUR COMMUNITIES IF YOU TOOK K-LOVE OFF THE AIR. OUR FURE FATHERS FOUNDED THIS COUNTRY ON STRONG BIBICAL PRINIPLES AND THAT IS THE WAY IT SHOULD STAY. IT IS OUR CONSTITUTIONAL RIGHT TO LISTEN TO CHRISTIAN MUSIC OR WATCH CHRISTIAN PROGRAMMING. DON'T TAKE THAT RIGHT AWAY FROM US AMERICANS (CHRISTIAN) AMERICANS.

YOU DO NOT KNOW WHAT YOU WOULD BE DOING TO THIS COUNTRY IF YOU TOOK THIS AWAY FROM US. JUST LOOK AT THE PEOPLE YOUNG AND OLD THAT LISTEN TO K-LOVE, ESPECIALLY THE YOUNGER GENERATIONS. LIVES ARE BEING SAVED, AND SOULS ARE BEING WON THROUGH THIS CHRISTIAN MUSIC. I KNOW IT HAS CHANGED ME "I LOVE IT"! AND IT IS BEING CHANGED THROUGH OUR "LORD" JESUS CHRIST. "I AM HONORED TO CALL HIM MY FRIEND. HE IS THE BEST FRIEND I WILL EVER HAVE, AND WE NEED MORE OF JESUS IN OUR COUNTRY AND IN OUR LIVES. WE CANNOT AFFORD NOT TO HAVE JESUS CHRIST IN OUR COUNTRY AND IN OUR LIVES. HE IS THE ANSWER THE ONLY ANSWER." →

SO I AM STANDING UP FOR MY "JESUS" AND SAYING "DON'T TAKE K-LOVE OFF THE AIR" THANK YOU

To whom it may concern:

In reference, to the MB Docket No. 04-233 there are three important points that need to be seriously considered when it comes to maintaining the current FM translator service.

- 1) As I loyal listener and financial supporter to a local station such as K-LOVE, it represents an important part of my family's everyday of life. This station provides a clear channel of communication without the interruption of commercials.
- 2) The effect of the local community if a station such as K-LOVE were to be displaced by an LPFM broadcaster providing other programming would be unfortunate to say the least. People need to have a station that provides positive and encouraging music that will provide multiple benefits to people who are listening, wherever they are; whether they are at work, home or about.
- 3) I believe that the service provided by K-LOVE is in the public interest, because it gives a large and unique group of listeners a reason to turn on the radio, when there is still another alternative that is becoming much more popular, listening to CDs. By maintaining this

FM translator service it should keep people employed
and prevent potential monopolies in the industry.

Thank you for your serious consideration and trust that
your organization is evaluating what listeners are not just
wanting, but more importantly what they are needing.

I'm writing to ask you please to not take the translator service away. I listen to K-Love Radio in Portland, Oregon on 96.30 FM and sometimes 88.7. I am a strong supporter, with my monies and in sharing it with many others during the day and even at night. It's so encouraging and welcome to the ears, and being listened supported shows the huge difference in so many lives. No one spends money for nothing, so it is very important to the regular members as well as new ones. I ask you to consider this from the bottom of my heart. To whom it may concern,

This is in reference to the K-Love Christian Music station and what the FCC wants to do with it. As one of the million listeners of K-Love, I strongly oppose this broadcast system from going into effect. My reasons being are very important and I feel like I need to let my voice be heard, give my opinions and let you know why. As a long time listener of K-Love, I feel like it is something so important that we desperately need in this world today. Personally, the music and the songs that they play are such a great source of hope and encouragement to me, as well as to all of the many other listeners out there. I just don't know where I would be without this station, to listen to each and every day wherever I may be (at home, in my car, at work, as well as anywhere else). Wherever I go, my dial is always set on K-Love. I feel like the effect on the local community would be devastating if this change was to take place because we would be losing a ministry that is so great and powerful that changes so many lives every single day for a good cause and that would be getting the message out about Jesus Christ and having lives transformed by the positive music that is played and heard on K-Love. I believe that the service provided by K-Love is indeed in the

public interest because through Jesus Christ, the power that the songs have through the words are so positive and life-changing. The songs that are played on K-Love are just one of the many many ways that the word of Christ is spread and shared among all believers and I strongly believe that by taking it away from anywhere will be like having Jesus standing right in front of you and saying to His face "you're not important to us so we're replacing you and are putting something or someone else in your place. If you take any station off the air, you just might be taking away one of the greatest sources of hope and encouragement that some people may have that keeps them going in their daily walk with the Lord or just couldn't go on without it in their life. Almost every single day I hear about sayings on the station where people say how important this station is to them and of the impact it has made in their life and even in their child's life when the kids talk about K-Love. I just think that that is so wonderful to hear, especially of little children and hearing what they say about it. To hear the parents say that their kids know the song or songs they play and want to listen to it all the time is just one of the most precious

in the world to hear, how the life of a child has been touched by Jesus through the music that is played on K-Love. There are also so many great behind the scene things that the staff members of K-Love do for its listeners as well as for each other (pray, counsel, talk to, as well as so many other things). You take away K-Love, you take away one of the greatest sources of hope and encouragement, so for the sake of Christ and all of the listeners of K-Love, especially the children, please don't take any of our stations away. Please take my opinion into consideration and think about us, loyal and faithful listeners of K-Love and how this will affect us all. Thank you so much.
