Federal Communications Commission  
Office of Secretary

COMMENTS

Clear Channel Broadcasting Licenses, Inc. ("Petitioner), by its counsel and pursuant to Section 1.415 of the Commission's Rules, hereby submits its Comments in the above captioned proceeding. *See Notice of Proposed Rule Making, ("NPRM") DA 04-3056, (released September 27, 2004).* In response to the petition, the NPRM proposes the reallocation of Channel 269A from Dover to North Canton, Ohio as that community's first local aural transmission service, and the modification of Station WJER-FM's license accordingly. The proposed reallocation will not deprive Dover of local service because Station WJER(AM) will remain licensed to the community.

The Petitioner hereby reaffirms its interest in providing a first local aural transmission service to North Canton as stated in the petition. If the petition is granted, Petitioner will file an application for Channel 269A at North Canton, and will construct the facilities if its application is granted.

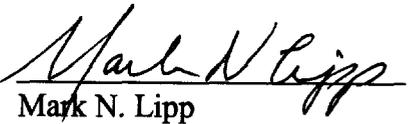

Accordingly, Clear Channel Broadcast Licenses, Inc. urges the Commission to grant the petition.
