Re: Ex Parte Presentation in *Unbundled Access to Network Elements*; Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers, WC Docket No. 04-313, CC Docket No. 01-338

Dear Ms. Dortch:

Yesterday, December 2, 2004, Jake E. Jennings, Vice President for Regulatory and Industry Affairs for NuVox Communications met with Scott Bergmann, Legal Advisor to Commissioner Jonathan S. Adelstein. The purpose of the meeting was to discuss the FCC's consideration of new unbundling rules in the above-captioned proceedings, and the positions asserted were consistent with NuVox's prior filings in these proceedings. In addition, they discussed the need to ensure that, if a wholesale test is adopted, the Commission include criteria to identify true competitive alternatives, and the need for sensible implementation processes.

Pursuant to Sections 1.1206(b)(1) and (2) of the Commission's rules, NuVox requests that this notice be included in the public record of the above-referenced proceedings. If you have any questions relating to this filing, please contact the undersigned.

Very truly yours,

/s/
