Re: *AT&T Petition for Rulemaking to Reform Regulation for Incumbent Local Exchange Carrier Rates for Interstate Special Access Services*, RM 10593

Dear Ms. Dortch:

In recent weeks, the Bells have submitted several *ex parte* filings in this docket relating to their pricing of special access services. These filings include material that the Bells have also filed in the Triennial Review remand docket, *Unbundled Access to Network Elements*, WC Docket Nos. 04-313 and 01-338. AT&T Corp. ("AT&T") has thoroughly refuted the Bells' most recent claims in its own filings in the Triennial Review proceeding, and indeed, AT&T's showings in that proceeding simply demonstrate all the more dramatically that AT&T's petition for rulemaking and for interim relief should be granted. Accordingly, AT&T is submitting the following Triennial Review pleadings for inclusion in this proceeding:
