Re: *Ex Parte Presentation*
In the Matter of Unbundled Access to Network Elements, WC Docket
No. 04-313; Review of the Section 251 Unbundling Obligations of
Incumbent Local Exchange Carriers, CC Docket No. 01-338

Dear Ms. Dortch:

On December 8, 2004, Ruth Milkman, of Lawler, Metzger & Milkman, counsel to T-Mobile, spoke by telephone with Pamela Arluk of the FCC regarding the need for CMRS carriers to obtain access to unbundled network elements in order to compete to serve wireline residential customers. The discussion was consistent with T-Mobile's previous written submissions in the above-referenced proceeding.

In accordance with the Commission's rules, this letter is being provided to you for inclusion in the public record of the above-referenced dockets.

Sincerely,

Gil M. Strobel

cc: Pamela Arluk
