Re: Unbundled Access to Network Elements, WC Docket 04-313;  
CC Docket 01-338

Dear Ms. Dortch:

At the request of staff, BellSouth is filing the attached information concerning users of its special access and UNE products. This information is similar to that previously filed by BellSouth as Attachment 2 to its ex parte of December 7, 2004. Commission staff has requested that BellSouth re-file this information in a manner that does not required confidential treatment. Specifically, staff has requested BellSouth to eliminate company identifications and to combine into separate groupings the information for (i) the 3 largest purchasers of BellSouth special access services, and (ii) CMRS carriers.

Accordingly, please include this ex parte letter and attachment in the docket of the proceedings identified above.

Sincerely,

Glenn T. Reynolds
