Re: Reconsideration in the 70/80 GHz Band (*WT Docket No. 02-146*)

Dear Ms. Dortch:

Today, in response to a request from David Hu of the Wireless Telecommunications Bureau, I provided the Commission with a copy of the "Path Coordination Guide for the 71-76 GHz and 81-86 GHz Millimeter Wave Bands," Version 1.0 (June 2004). This document, prepared by the WCA Above 60 GHz Committee, updates a previous version.

On behalf of the WCA Above 60 GHz Committee, I am submitting a copy for the record pursuant to sections 1.1204(a)(10)(iii) and 1.1206(b) of the Commission's rules. Please feel free to contact me with any questions about this submission.

Respectfully submitted,

Mark A. Grannis
