The 9-1-1 portion of the Emergency Services operation screens and transfers calls for five (5) police agencies. They are:

- Delmar Police Department
- Fruitland Police Department
- Maryland State Police
- Salisbury Police Department
- Wicomico County Sheriff's Department

Administrative Staff

Director of Wicomico County Emergency Services: Sandy Silvia, EMT-B/EMD

Deputy Director of Wicomico County Emergency Services: Jane Grogan, EMT-B/EMD

Emergency Management Coordinator: Doug Jones, EMT-B/EMD/HAZMAT Technician

Emergency Management Technician: Jeff Robinson

In addition to ongoing in-house training, all personnel have been through the nationally recognized Medical Priority Dispatch program and are also certified by the State of Maryland as Emergency Medical Dispatchers. All operators hired since July 1, 1997 have also been certified as Maryland Emergency Communications Specialist through a 40-hour program designed by the Maryland Emergency Number Systems Board and Dundalk Community College. The letters in the last column above indicate the certifications held by staff members.

- EMT - Emergency Medical Technician -- B level
- EMD - Emergency Medical Dispatcher - requires 40 hours of training
- ECS - Emergency Communications Specialist

Facility Tours

Unfortunately due to the nature of the job, and the fact that the Operators on duty must be able to concentrate on what they are doing, facility tours are restricted to group tours only. These are generally civic organizations like the Boy/Girl Scouts, school class groups and neighborhood associations. These tours should be in groups of at least 5 and no more than 25 and generally last about 20 to 25 minutes. If the Communications Center becomes busy, by discretion of the tour director/shift supervisor, the tour may be terminated and the group asked to leave.

ASKED TO LEAVE.

The Department of Emergency Services suggest as an alternative that we have one of our Operators come to your organizations meeting. We have slides and brochures available dealing with Communications and Emergency Management. The Operator will be able to explain what our job entails and take questions.

All tours MUST be prearranged. If you would like to arrange an onsite/offsite tour of the Communications Center contact Deputy Director Jane Grogan at 410-548-4809.

History Of The Willards Lions

The Willards Lion Club was chartered on October 7, 1948, sponsored by Pittsville Lions Club.

The original Lions Den which was acquired in 1950 was totally destroyed by fire on February 14, 1990. A lot of fond memories and emotions went up in smoke with the loss of this building. It had taken an identity all to itself.

With eager determination, the small but ambitious Lions Club started to raise funds for a new building. The new building was to be constructed on the same site as the old one. They needed to raise \$100,000.00 so construction could begin. The new building would cost a total of \$600,000.00.

Their goal was reached and long with the State grants and five year mortgage for \$150,00.00, which was obtained from the local bank, this dream came true. Ground was broken on May 4, 1990 and construction commenced on May 7, 1990. The building was completed on October 12, 1990, which was two days ahead of schedule. The grand opening was held November 17, 1990. Since then the building is used almost daily by the Willards Community and surrounding areas.

Lion Jim Farlow was serving as President during the period of reconstruction. He and the total membership worked tirelessly to raise funds, oversee construction and carry on with their weekly bingo schedule.

On April 23, 1994 the Willards Lions Club paid off the mortgage on the building.

The building is a focal point of community activities, not only does the Lions Club utilize the building for meetings and bingo it is used by the Senior Citizens, local church functions, PTA, Willards Elementary School, Willards Fire Company, Wedding Receptions, Auction Sales, Anniversary Parties, Family Dinners, Reunions and Girl Scout meetings. Since 1997 The Wicomico County Library Learning Center has been using the building for computer training.

Feast & Fellowship

[Our Prayers](#)

If there is anything that I have come to recognize as a truly memorable experience at Lakeside our wonderful dinners. In keeping with that, our November Family Night Dinner will be a Thanksgiving Meal, on Wednesday, November 17 at 6:00 pm. Keep an eye in the bulletins for specific information about the meal and signing up. However, the reason I am informing you in advance is because we plan on having a special dessert:

Some Thank Yous

Thank you to everyone who helped with the pumpkin sale. It has been a huge success. We were able to talk to our neighbors and introduce the program to them. We will be tallying the report in the near future. Thank you again...Youth Ministries at LUMC.

Thanks to the many members who helped make our Consecration Sunday a success. Thank you for the wonderful meal to follow.

▼ **Lakeside Automotive Equipment**

Lakeside Volunteer Rescue Squad has a remarkable fleet of five ambulances and one quick response vehicle. The five ambulances have a chassis produced by Ford. Our ambulances are based from a van chassis and are classified as a type three ambulance. This type of ambulance has a walkway between the chassis and the ambulance box.

The power plant is very authoritative 7.3-liter power stroke diesel engine which allows the vehicle to control the streets of Henrico County. The ambulance has multiple exterior and interior compartments to store all our equipment which is used to help our patients in there tin of need. Our ambulances have one Stryker stretcher mounted in each ambulance. The ambulances are equipped with IV warmers to ensure proper fluid replacement.

The quick response vehicle is a Ford Expedition which was purchased in 1998. The vehicle has a commanding 5.4 Triton engine. This vehicle is used to transport an Advanced Life Support providers and emergency medical technicians personnel to any scene. The vehicle has a Control-Trac(TM) shift-on-the-fly 4X4 system and a huge wench. The Expedition carries four passengers and an abundant of medical supplies.

Currently, we are fundraising to purchase a new crash truck. This vehicle allows our providers to extricate patients from vehicles and heavy machinery when trapped. These "Jaws of life" devices are crucial for the large amount of heavy rescue Lakeside VRS participates in, yet we cannot financially afford another truck. Anyone who can donate the required \$160,000.00 will be doing the squad a great favor -- please consider if you have the financial means to do so.

Henrico Police Accreditation

The Henrico County Division of Police is scheduled for an on-site assessment as part of a program to achieve accreditation by verifying it meets professional standards.

Administered by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA), the accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: policy and procedures, administration, operations, and support services.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a public information session Tuesday, December 7, 2004 at 7:00 pm. The session will be conducted in the County Board Room, Administration Building, Government Center located at 4301 East Parham Road.

Agency employees and the public are also invited to offer comments by calling (804) 501-5306 on December 7, 2004 between the hours of 1:00 and 5:00 pm. Comments will be taken by the Assessment Team.

Telephone comments as well as appearances at the public information session are limited to 10 minutes and must address the agency's ability to comply with CALEA's standards. A

Community Resource Guide

The *Community Resource Guide* is a step-by-step manual for Henrico County residents that was developed to help them solve neighborhood

problems, which affect their quality of life. Each time you use the guide, it will empower you to quickly and effectively resolve neighborhood problems, which police often cannot help you with. It will also help decrease the number of calls for service that Henrico Police officers respond to that are more effectively handled by the citizens themselves, which will increase the number of officers available to handle priority calls for service.

The guide will change as new problems develop and as laws and codes evolve, so refer to it each time you encounter a problem. This will ensure that you have the most current information and instructions available.
