Section 6.05. Petition.

(a) *Number of signatures.* Initiative and referendum petitions must be signed by qualified voters of the city equal in number to at least twenty-five (25) per cent of the total number of qualified voters registered to vote at the last regular city election.

(b) *Form and content.* All papers of a petition shall be uniform in size and style and shall be assembled as one instrument for filing. Each signature shall be followed by the printed name of person signing, the signers' voter registration number and the current street address of the person signing. Petitions shall contain or have attached thereto throughout their circulation the full text of the ordinance proposed or sought to be reconsidered. The Lee County Supervisor of Elections shall inspect the signatures to determine that each signer is a qualified voter of the city.

(c) *Affidavit of circulator.* Each person circulating a copy of the petition shall attach to it a sworn affidavit stating the number of signers, the fact that each signature was made in the presence of the circulator of the petition and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.

(d) *Time for filing referendum petitions.* Referendum petitions must be filed within sixty (60) days after adoption by the council of the ordinance sought to be reconsidered. (Ord. No. 82-23, § 22, 9-7-1982/11-16-1982)

Section 6.06. Procedure for filing.

Certificate of clerk; amendment: Within twenty (20) days after the petition is filed (ten (10) business days for a referendum) the city manager or other official designated by the council shall complete a certificate as to its sufficiency, specifying, if it is insufficient, the particulars wherein

it is defective and shall promptly send a copy of the certificate to the petitioners' committee by registered mail. Grounds for insufficiency are only those specified in Section 6.05. If the number of signatures is insufficient or the petition is deficient as to form or compliance with this section, the council shall notify the committee filing the petition and allow thirty (30) days for filing of additional petition papers, at the end of which time the sufficiency or insufficiency of the petition shall be finally determined.

(Ord. No. 82-23, § 23, 9-7-1982/11-16-1982)

Section 6.07. Referendum petitions; suspension of effect of ordinance.

When a referendum petition is filed with the city manager or other official designated by the council and deemed sufficient, the ordinance sought to be reconsidered shall be suspended from taking effect. Such suspension shall terminate when:

- (1) The petitioners' committee withdraws the petition; or
- (2) The council repeals the ordinance; or
- (3) After a vote of the city on the ordinance has been certified.

(Ord. No. 82-23, § 24, 9-7-1982/11-16-1982)

Section 6.08. Action on petitions.

(a) *Action by council.* When an initiative or referendum petition has been determined sufficient, the council shall promptly consider the proposed initiative ordinance in the manner provided in Article III or reconsider the referred ordinance by voting its repeal. If the council fails to adopt a proposed initiative ordinance without any change in substance within sixty (60) days or fails to repeal the referred ordinance within thirty (30) days, it shall submit the proposed or referred ordinance to the voters of the city.

(b) *Submission to voters.* The vote of the electors on a proposed or referred ordinance shall be not less than thirty (30) days and not later than sixty (60) days from the date that the council rejected the proposed ordinance or refused to reconsider the referred ordinance. The period may be extended an additional sixty (60) days upon mutual agreement of the council and the

petitioners' committee. Passage of the times provided in Section 6.08(a) without action by the council shall be considered rejection, refusal or declination. If no regular city election is to be held within the period prescribed in this subsection, the council shall provide for a special election; otherwise, the vote shall be held at the same time as such regular election, except that the council may, in its discretion, provide for a special election at an earlier date within the prescribed period. Copies of the proposed or referred ordinance shall be made available at the polls.

(c) *Withdrawal of petitions.* An initiative or referendum petition may be withdrawn at any time prior to the fifteenth day preceding the day scheduled for a vote of the city by filing with the city manager or other official designated by the council a request for withdrawal signed by at least four (4) members of the petitioners' committee. Upon the filing of such request the petition shall have no further force or effect and all proceedings thereon shall be terminated. (Ord. No. 82-23, § 25, 9-7-1982/11-16-1982)

Section 6.09. Results of election.

(a) *Initiative.* If a majority of the qualified electors voting on a proposed initiative ordinance vote in its favor, it shall be considered adopted upon certification of the election results and shall be treated in all respects in the same manner as ordinances of the same kind adopted by the council. If conflicting ordinances are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.

(b) *Referendum.* If a majority of the qualified electors voting on a referred ordinance vote against it, it shall be considered repealed upon certification of the election results. (Ord. No. 82-23, § 26, 9-7-1982/11-16-1982)

(3) *Certification of petition.* Upon certification of the sufficiency of the petition by the designated official, such

certification to include the validity of the names on the petition as qualified voters registered to vote in the last regular city election, the council shall place the proposed amendment to a vote of the electors at the next general election held not less than sixty (60) days after certification or at a special election called for such purpose.
