Re: ***SBC IP Communications, Inc. Petition for Limited Waiver of Section 52.15(g)(2)(i) of the Commission's Rules Regarding Access to Numbering Resources, CC Docket No. 99-200***

Dear Ms. Dortch:

On July 7, 2004, SBC IP Communications, Inc. (SBCIP) filed the above-captioned petition seeking a limited waiver of section 52.15(g)(2)(i) of the Commission's rules in order to obtain direct access to numbering resources. As part of SBC Communications, Inc.'s efforts to better manage its corporate structure and affiliate relationships, SBCIP has been consolidated into another SBC affiliate, known as SBC Internet Services, Inc. (SBC Internet Services), effective December 31, 2004. Like the former SBCIP, the successor SBC Internet Services provides only information services and is not a common carrier. Other than the name change, the consolidation of SBCIP into SBC Internet Services should have no material effect on the pending petition for limited waiver.

Please do not hesitate to contact me if you have any questions or need additional information. Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission.

Sincerely,

/s/ Jack Zinman
