

I think that the "Do Not Call List" is one of the best things that has happened for the people who live in NJ. One can hang a sign on one's door that says "NO Peddlers", but without the DO NOT Call List, we are at the mercy of every "peddler" who care to interrupt our dinner, our nap, our need for peace. Please do not destroy this right of privacy that every citizen has the right to expect, if he/she wants it.
