Re: *Level 3 Petition for Forbearance*, WC Docket No. 03-266
IP-Enabled Services, WC Docket No. 04-36

Dear Ms. Dortch:

On January 31, 2005, on behalf of Level 3 Communications LLC ("Level 3"), I met with Robert Pepper and Donald Stockdale of the Office of Strategic Planning.

The meeting focused on a recent study by QSI into the impact of applying switched access charges to IP-enabled services between IP end-users and PSTN end-users. In the course of the meeting, I provided a Level 3 PowerPoint presentation, a copy of QSI's study and a summary of the QSI study's results, copies of which were filed previously in the above-referenced dockets on January 27, 2005. These documents present and summarize the points made in the course of the discussion.

Sincerely,

/s/

John T. Nakahata
