Re: Intercarrier Compensation for ISP-Bound Traffic, CC Docket No. 99-68; Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92

Dear Ms. Dortch:

On February 1, 2005, Susanne Guyer, Ed Shakin, and the undersigned representing Verizon met with and Commissioner Adelstein and Scott Bergmann, and, separately, with Commissioner Abernathy and Jennifer Manner. In these meetings, Verizon discussed its position on the appropriate intercarrier compensation for Virtual NXX traffic, and the treatment of transport costs. The attached diagrams were used in the meetings. The discussion was consistent with Verizon's previous ex partes in the above-referenced proceedings.

Sincerely,

A handwritten signature in cursive script that reads "Donna Epps".
