The Hermitage
Historical Society

The City of Hermitage, located in Mercer County, was first settled in 1796, and the Township of Hickory was incorporated in 1833 from portions of the Shenango and Pymatuning townships. Following the incorporation of the cities of Sharpsville and Farrell and the Boroughs of Sharpsville and Wheatland, the remainder of the Township was incorporated into a First Class Township.

The Home Rule Charter and Optional Plans Law, Act 62 of 1972, provided all local governments in Pennsylvania a unique opportunity of true "home rule." On August 9th, 1972, Ordinance 13-72 was enacted by the Board of Commissioners providing for a referendum on electing a Governmental Study Commission of nine members. On November 17th, 1972, the electors voted in favor of a commission and selected nine members with the task of studying present Township government as an alternative of an Optional Plan of Government or a Home Rule Charter.

On March 13th, 1974, the final report of the Government Study Commission recommended a Home Rule Charter, which was approved on May 21st, 1974 by a vote of 1,375 to 546. The Charter was to become effective on January 1st, 1976.

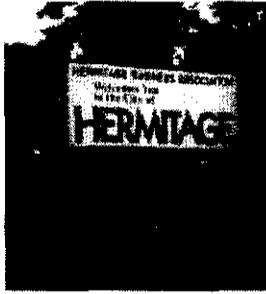

A resolution of April 9th, 1975 stated the Board of Commissioners' intent to start an informal campaign to consider the possibility of a name change for the Township. A survey was conducted to determine possible names. In July, 1975, the Commission petitioned to the Court of Common Pleas of Mercer County pursuant to the Act of June 14th, 1957, P.L. 330. The petition contained almost double the signature requirement of ten percent of the registered electors of the Township. The questions to be placed on the ballot were whether the name of the Township should be changed, and if so, what name: "Hermitage," "Mount Hickory," "Hickory Hills."

On November 4th, 1975, the voters approved, by 2,986 to 695, a change in name and selected "Hermitage." The Honorable Judge John Q. Stranahan, President Judge of Mercer County Court of Common Pleas, issued an order on December 11th, 1975, decreeing that the name of the Township of Hickory shall be and was hereby changed to Hermitage, Pennsylvania, effective January 2nd, 1976.

During 1975, the Commissioners also authorized the codification of Township ordinances beginning with Ord. 1-49, August 4th, 1949. From that date through December 11th, 1975, 416 ordinances and one resolution of legislative nature had been

enacted. In the preparation of the codification, these 416 ordinances and the subdivision resolution 1954 were taken into consideration. Each was carefully analyzed and compared with State Law, court decisions and later enactments on the same subject, and was further considered as to modern needs and conditions in the Township. They were also studied in light of the soon to be effective Home Rule Charter.

On July 14th, 1983, the Hermitage Board of Commissioners ordained and enacted into law the placement of a referendum on the question of an amendment of the Home Rule Charter of the Municipality of Hermitage to be submitted to the Municipality at the general election on November 7, 1983. The question presented to the electors of the Municipality was as follows: "Should the Home Rule Township of Hermitage become the Home Rule City of Hermitage?"

The official certified election results on the question submitted were 1,971 in favor, 1,846 opposed; and with the passage of said referendum, the Hermitage Board of Commissioners decided to put into effect the change of classification of the Township of Hermitage to the City of Hermitage. Ordinance No. 18-83 ordained and enacted on December 22nd, 1983, reclassified the Home Rule Township of Hermitage to the Home Rule City of Hermitage.

Quick Facts

Hermitage is a unique city, consisting of over thirty square miles of land, developed a variety of ways. We have large tracts of open land that continue to be farmed and a central business district that contains small, locally-owned shops as well as large international retailers and corporate headquarters. Residential units vary in type with apartment buildings, single-family homes, condominiums and villas. A wide variety of homes of various size, type, and price are located throughout the city. Although land use is predominantly residential, commercial and professional office, the City does have an industrial corridor home to a variety of both light and heavy industry and related businesses. The City is also home to LindenPointe, a new upscale business/technology park consisting of 115 acres of shovel-ready sites.

We have an excellent school system, a well-run home rule charter city government with modern facilities, efficient, effective public services and plentiful recreation and leisure opportunities. Our emergency services - fire and police - are regional leaders in service, training, and equipment. Buhl Farm, a beautiful 500-acre community park in Hermitage, with facilities and activities for all ages, is a jewel in the Shenango Valley. The Shenango Reservoir provides boating and water recreation opportunities, and Rodney White Olympic Park spans the City - School properties and contains tennis, playground, softball, baseball and open space facilities. Each resident and business in the City receives a quarterly newsletter and Hermitage is home to a diverse group of churches, service clubs, and other non-profit organizations that support the community.

Our location gives residents the advantages of small-town living with the cultural and recreational opportunities of large cities - theater, dining, museums, and professional sports - close by. There are eight colleges and universities located in the immediate

area and an additional twenty located within 75 miles of Hermitage.

Our mission is to provide and maintain services, programs, and facilities that provide a high quality of life for our residents, visitors and business community in a professional and cost-efficient manner. We are proud of our City and the Shenango Valley. Thank you for visiting our site.
