Re: Ex Parte Presentation, GC Docket No. 04-208, CC Docket No. 98-170

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's Rules, Verizon Wireless hereby submits this letter summarizing an *ex parte* presentation on February 24, 2005, in the above-referenced dockets. John T. Scott, III and Paul Nash of Verizon Wireless met with Barry J. Ohlson, Senior Legal Advisor to Commissioner Jonathan S. Adelstein. The substance of the meeting was consistent with the prior filings of Verizon Wireless in the above-referenced dockets. We discussed the growing burden of state and local taxes, fees and regulations on wireless carriers as well as attempts to regulate line items. We urged that the Commission deny the Petition for Declaratory Ruling filed by the National Association of State Utility Consumer Advocates, and declare that state regulation of CMRS line items is preempted under Section 332 of the Communications Act.

Sincerely,

A handwritten signature in black ink that reads "John T. Scott, III".
