Re: Unbundled Access to Network Elements,
WC Docket 04-313, 01-338

Dear Ms. Dortch:

This is to notify you that on March 2, 2005, BellSouth met with the following Commission staff in connection with the proceeding identified above: Austin Schlick, Linda Kinney, Jeff Dygert, Jim Carr, John Ingle, Russ Hanser and Jake Lewis of the General Counsel's Office; and Michelle Carey, Tom Navin, Jeremy Miller and Ian Dillner of the Wireline Competition Bureau. Representing BellSouth were Bennett Ross, Jon Banks and the undersigned.

The purpose of this meeting was to discuss implementation issues relating to the Commission's Order on Remand in this proceeding. In particular, BellSouth urged the Commission to clarify that it intended that no "new adds" of elements no longer subject to unbundling would be effective as of March 11, 2005. BellSouth also noted that at least one state Commission in its region had ordered BellSouth to continue providing "new adds" for these elements.

The comments of BellSouth were consistent with its ex parte letter on this issue dated February 24, 2005.

Pursuant to Commission rules, please include this letter in the docket of the above-referenced proceeding.

Sincerely,

A handwritten signature in black ink that reads "Glenn T. Reynolds". The signature is written in a cursive style with a large, stylized initial "G".
