RE: WT Docket No. 05-50

Dear Ms. Dortch:

I recently received notification of ALLTEL's pending acquisition of Western Wireless, and Hot Spring County offers this letter to you to express our encouragement of ALLTEL's pending acquisition of Western Wireless.

As the Director of Enhanced 9-1-1 for Hot Spring County, AR, I have worked with numerous wireless carriers to provide Wireless Enhanced 9-1-1 service to the citizens within my community. I believe that ALLTEL continues to progress with their E9-1-1 technologies in that they have deployed Wireless Phase II service with 367 PSAP's and Wireless Phase I service with 745 PSAP's. My experience with ALLTEL has been that they continue to work diligently meeting both Phase I and Phase II obligations as has been reflected during the implementation of Wireless E-1-1 Phase II Service in Hot Spring County.

I feel that ALLTEL will continue to provide the same standard of service to those PSAP's that are currently served by Western Wireless as they have to those of us who have previously worked with ALLTEL to deploy Wireless E9-1-1 Phase I and/or Phase II service.

Sincerely,

Fred Stevens, Director
Hot Spring County E911
