Re: CC Docket No. 00-257
WestCom Corporation Acquisition of Subscriber Base

Dear Ms. Dortch:

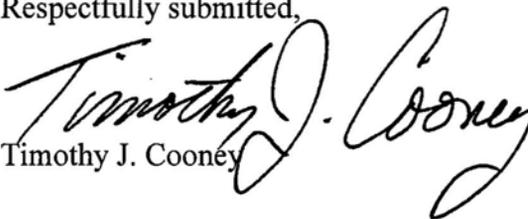

This letter is submitted on behalf of WestCom Corporation ("WestCom") pursuant to Section 64.1120(e)(i) of the Commission's rules, 47 C.F.R. § 64.1120(e)(i).

WestCom proposes to acquire certain interstate domestic and international private line assets of Global Crossing Telecommunications, Inc. ("Global Crossing") that Global Crossing uses in its trader voice service. The parties have filed both a domestic Section 214 application (WC Docket No. 05-56) and an international Section 214 application (FCC File No. ITC-ASG-20050209-00070) related to this transaction, and both applications have been deemed approved. The parties intend to consummate the transaction in late April 2005.

Because the transfer of assets that is the subject of the above-referenced applications involves only non-switched services, the parties believe that the Commission's anti-slamming regulations (47 C.F.R. § 64.1120(e)) are inapplicable. Nevertheless, in conformance with Section 64.1120(e)(3) of the Commission's rules, the parties have provided each affected subscriber more than 30 days advance notice of the proposed transaction. A copy of the customer notification letter is attached.

Please contact the undersigned written counsel for WestCom Corporation if you have any questions.

Respectfully submitted,

Timothy J. Cooney

CUSTOMER NOTICE

WESTCOM CORPORATION-GLOBAL CROSSING TRANSACTION

Dear Customer:

Global Crossing Limited also doing business as Global Crossing Financial Markets ("Global Crossing") and WestCom Corporation ("WestCom") have signed a letter of intent for WestCom to purchase the trader voice assets of Global Crossing. The closing of this proposed transaction is subject to the execution of a definitive Asset Purchase Agreement and the approvals of the Federal Communications Commission and the New York Public Service Commission. Global Crossing and WestCom have submitted applications to both Commissions and if you wish to comment on those applications, you may do so in accordance with each Commission's rules.

At present, Global Crossing and WestCom intend to close this transaction in the near future but no earlier than March 15, 2005. The rates, terms and conditions under which you are receiving service will not change as a result of this transaction and subsequent changes, if any, will be governed by the terms of your agreement or other relationship with WestCom. There are no carrier change charges associated with this transaction and you may, subject to the terms of your agreement, select a different preferred carrier.

Until the closing of this transaction, Global Crossing will continue to provide you with maintenance service relating to any service issues you may have. When this transaction closes, Global Crossing will work closely with WestCom to ensure a smooth transition of your trader voice services. Global Crossing and WestCom are both committed to making this transaction as seamless as possible to you. This transaction will allow each service provider to focus on core capabilities, resulting in broader support to your telecommunications and IP needs. Global Crossing appreciates the opportunity to continue to provide your trader voice services through the closing. WestCom looks forward to continuing to provide the same level of excellent service you have come to expect in the future.

WestCom believes that the combination will lead to the fastest provisioning times and most responsive and reliable customer care in the industry. WestCom will further enhance its global Hoot and Holler product platform and introduce an additional 500

locations to its global On-Net community. WestCom understands what financial institutions and their trading partners require, and will continue to take pride in continually raising the competitive bar by expanding the size and value of our growing on-net customer footprint.

If you have any questions about this transaction and what it means to you, please do not hesitate to contact your Global Crossing Customer Service Representative or a WestCom representative at 1-800-864-0510.
