<sup>1</sup> MCI holds a 100% direct or indirect ownership interest in each of these entities.

<sup>2</sup> Military Communications Center, Inc. ("MCC"), a wholly-owned subsidiary of MCI, is likely to be sold to a third party prior to the consummation of this transaction (subject, of course, to FCC approval). If this sale occurs, the parties will later amend this application to delete MCC's Section 214 authorization from the list of Section 214 authorizations being transferred to Verizon.
