Dear Ms. Dortch:

On March 3, 2005, Bradley Holmes, the Chief Operating Officer of NY3G Partnership ("NY3G"), met with Paul Margie, Legal Advisor to Commissioner Copps, regarding the above-referenced proceeding.

NY3G talked about its current efforts to provide wireless broadband service to the New York City area. The parties discussed the proposals in the Commission's *Further Notice of Proposed Rulemaking*, and NY3G's ongoing negotiations with Trans Video Communications, Inc., the grandfathered ITFS licensee in New York City, including the obligations of ITFS licensees to negotiate with co-channel MMDS licensees.

Please direct any questions regarding this matter to the undersigned.

Very truly yours,

Tony Lin  
Counsel for NY3G Partnership
