The Region 42 (Virginia) 800 MHz Public Safety Planning Committee announces that its next planning meeting will be held on Wednesday, April 13, 2005 at 2:00 p.m. at the Sheraton Oceanfront, 36th Street and Atlantic Avenue, Virginia Beach, Virginia. The purpose of the meeting is to discuss pending Region 42 800 MHz license application matters and to receive any new license applications that may be submitted.

The Region 42 Public Safety Planning Committee meeting is open to the public. All eligible public safety providers in Region 42 whose sole or principal purpose is to protect the safety of life, health, or property may utilize these frequencies. It is essential that participants be representatives of all eligible public safety providers in order to ensure that your agency's future spectrum needs are considered in the allocation process.
