## WIRELESS TELECOMMUNICATIONS BUREAU ACTION

### REGION 45 (WISCONSIN) 800 MHz PUBLIC SAFETY REGIONAL PLANNING COMMITTEE ANNOUNCES PLANNING MEETING (PR Docket 92-273)

The Region 45 (Wisconsin) 800 MHz Regional Planning Committees announces that its next planning meeting will be held on Wednesday, April 13, 2005, from 1:00 p.m. to 3:00 p.m. at the Wisconsin State Patrol District 3 Headquarters, Fond du Lac, Wisconsin. The facilities are located on the Highway 41-West frontage road, just north of Hwy 151. Region 45 encompasses the State of Wisconsin, except for Dane, Dodge, Jefferson, Kenosha, Milwaukee, Ozaukee, Racine, Rock, Walworth, Washington, and Waukesha Counties.

The meeting agenda will include a review of the Region 45 800 MHz plan, discussion regarding reconfiguration, and a product demonstration by Proxim Wireless.

The Region 45 (Wisconsin) 800 MHz Public Safety Planning Committee meeting is open to the public. All eligible public safety providers whose sole purpose or principal purpose is to protect the safety of life, health, or property in Region 45 would utilize these frequencies. It is essential that not only public safety, but all government, Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's Rules be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate and represent your agency's needs.

All interested parties wishing to participate in the planning for the use of the Public Safety spectrum in the 800 MHz band within Region 45 are encouraged to attend. For further information, please contact:
