Re: WC Docket No. 05-65; SBC Communications Inc. and AT&T
Corp. Applications for Approval of Transfer of Control

Dear Secretary Dortch:

In regards to the above mentioned docket, please register my
support for an expeditious and affirmative vote.

My charge is to advocate, promote and facilitate the success of
Hispanic businesses and I view the proposed merger of SBC – AT&T
as a positive step for those I represent. Technology is evolving at
the speed of light and the combined company will be better
positioned to provide emerging products and services faster and
more economically.

Sincerely,

Eduardo Alberto Wagner, Executive Director
Hispanic Chamber of Commerce of Northern Nevada
