Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF). I rarely use my phone and it is not fair to charge me the same amount as people who use their phone constantly. I am sure you will agree with this sentiment. I don't even like the idea of underwriting someone else's telephone use but if I have to do it, it should only be based on my usage, not a fundamentally unfair flat rate.

I urge you to keep the USF fair, and adopt the Fair Share Plan. Thank you, and best of luck in your new position.
