Dear Sir:

I am writing this letter in regard to the "Do Not Call List" now in effect in the state of Wisconsin.

My husband and I, both in our eighties, find these calls a great nuisance and I've gotten nine (9) in the past two days.

I thank goodness I have called 911 on my phone but you still have to answer in order to stop the ringing.

Two of these calls were for a neighborhood collection, one coming from Denver, Colo and the other from West Palm Beach, Fla.

I cannot figure out how these calls would have anything to do with my neighborhood, since I'm registered on the "Do Not Call List".

This letter is written also on behalf of a brother and sister-in-law - senior citizens in their eighties too.

Please do not abandon this service.

To whom it may concern,

I am a Wisconsin resident who has been on the "no call list" since its inception. Being on this list has allowed me to avoid unwanted interruptions of my family's quality time. Our dinner is not interrupted. I can assist my children with their homework without interruption. I can play with my toddler without interruption. I don't have to run the phone numerous times during the day and evening. With ailing family members, the decrease in telemarketing calls assures me that my loved ones will have an easier time reaching me if needed. Plus, I don't have to talk my way out of the new windows, vacuum cleaners, siding, time shares, lawn services, etc... that I was never interested in in the first place. As a consumer I feel trapped and pressured by the unwanted calls. Why is it O.K. for big businesses to enforce "no solicitors" rules, but

(over)

it is not a right of the average
Citizen. Please reconsider and
continue the enforcement of
Wisconsin's "no-call list." Thank

Dear Sir;

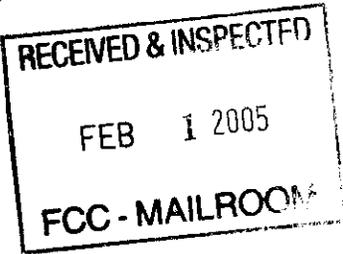

I am writing to you to ask you please
DO NOT change Wisconsin's "DO NOT CALL"
list. Since I signed up for it, the calls
have been cut to only 1 or two a week
instead of the very annoying 3 to 4 calls
a day + in the evenings. It has been so
nice not to have "our family time"
disrupted by those annoying telemarketers.
If we want any of those services we can do
the calling. I travel and when I call home
I do not want my spouse screening calls just
to see if it is me. It disrupts our private
family time to be constantly interrupted
by all the annoying calls + puts us in
foul moods, because there are so many of
them. So please leave well enough alone
and leave Wisconsin's DO NOT CALL LIST
in tact.

I adamantly oppose any change
to Wisconsin's current legislative

Banks and financial institutions
in general have scads of opportunity
to connect with their customers
through personal in bank visits, on
line banking and statements. I
do not need nor do I want my
financial institution calling me -
let alone calling to sell me something.
State laws differ and banks,
credit cards companies and the like
deal with it. An example is Wis
Marital Property law.

I work nights and sleep during

silence is greatly valued.

To whom it may concern,

As a Wisconsin consumer, our state's no telemarketing call policy is excellent and should not be overridden at the Federal level. Telemarketers should not be able to call consumers at will and at random once we have indicated we do not wish them to.

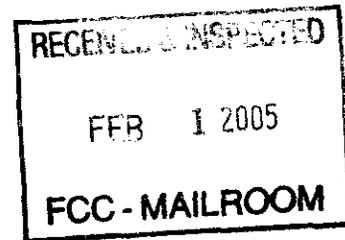

Please keep our Wisconsin law in effect to protect me from undue harassment from various annoying telemarketing companies. Thank you for your assistance in this matter.

Sincerely,

IT HAS BEEN BROUGHT TO MY ATTENTION THAT "WISCONSIN'S NO CALL LIST" IS CHALLENGED BY REPRESENTATIVES OF "TELEMARKETING COMPANYS".

PLEASE DO ANYTHING YOU CAN TO STOP THESE OBNOXIOUS PEOPLE FROM CALLING MY HOME AND WASTING MY TIME.

BEFORE I PUT MY NAME ON THE "WISCONSIN NO CALL LIST" IT WASN'T UNCOMMON TO GET 4 OR MORE CALLS PER EVENING FROM TELEMARKETERS TRYING TO SELL ME SOMETHING I DO NOT WANT OR NEED.

NOT TO MENTION MESSAGES LEFT ON MY ANSWERING MACHINE. I WAS SICK & TIRED OF DROPPING EVERYTHING TO RUN TO THE PHONE, JUST TO BE SOLICITED BY SOMEONE TRYING TO SELL ME SOMETHING.

AFTER I GOT ON THE "WISCONSIN NO CALL LIST" THE CALLS STOPPED & WHEN THE PHONE RANG I KNEW IT WAS SOMEONE I WANTED TO TALK TO ON THE OTHER END.

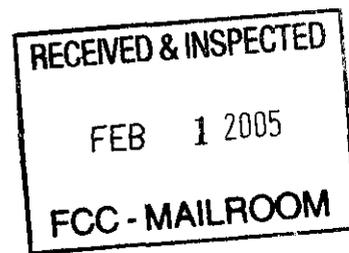

ONCE AGAIN PLEASE DO ANYTHING YOU CAN TO STOP THESE OBNOXIOUS PEOPLE FROM WASTING MY TIME. THANK YOU

Dear Consumer Protection,

Felt compelled to write you to express my feelings on the telemarketers no call list. Before the no call list I thought of discontinuing my phone service. I had called the Phone Company & expressed my dissatisfaction with hang up phone calls. Telemarketers do several phone calls only talking to the first phone to pick up. I will never buy anything over the phone.. They call 7 days a week, until late hours into the night. I have been very happy with the service I have received from the do not call list. Do us all a favor, Leave it as it is.

Also, for your information, I have never wrote a complaint letter before today. This is how strongly on feel on this.

Sincerely,

To Whom It May Concern:

Just yesterday I was made aware of the most recent attempt of the Federal Government to interfere in the Wisconsin "DO NOT CALL" legislation put in place to protect the citizens of the State of Wisconsin from the nightly assaults on our personal time with their incessant calls to sell us all manner of things.

If I wish to buy something I will deal with persons or companies of my choice.

I DO NOT WANT TO BE DISTURBED BY TELE-MARKETERS !!!!

Please make every effort to thwart the Federal Government in their efforts to replace our law with their grossly weaker version of the "DO NOT CALL" law.

Thank you for your attention to this matter.

Sincerely
