Re: In the Matter of SBC Communications Inc.
and AT&T Corp. Applications for Approval of
Transfer Of Control, WC Docket No. 05-65

Dear Ms. Dortch:

On April 26 and 28, 2005, the undersigned spoke by telephone with David Krech, Esq. and Mr. Mark Uretsky of the Commission's International Bureau to seek clarification with respect to the information requested by Question 21 of the Commission's Initial Information and Document Request issued to AT&T and SBC on April 18, 2005. In addition, we discussed the data that SBC had that was responsive to Question 21 and how that data might be presented in a manner that was useful to the staff.

In accordance with the requirements of Section 1.1206 of the Commission's rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-captioned proceeding.

Sincerely yours,

Theodore D. Frank
Counsel for SBC Communications Inc.
