Re: WC Docket Nos. 05-65 and 05-75

Dear Ms. Dortch:

On May 4, 2005, Mathew Dovens, Joanna Lowry, and Cathleen Wasilewski of SAVVIS, Larry Strickling of Broadwing (by telephone), and Bruce Gottlieb and I met with Bill Dever, Marcus Maher, Craig Stroup, Gail Cohen, Kimberly Jackson, Jon Minkoff, Ben Childers, Rodger Woock, Takeo Iijima, Paul Zimmerman, and Pam Megna of WCB, Jim Bird, Kent Nilsson, Karen Onyeije, and Joel Rabinowitz of OGC, Kate Collins of IB, and Jeff Tobias of WTB.

Dr. Dovens, SAVVIS' Senior Director, Network Products, covered the topics addressed by his declarations in these proceedings. In short, he explained that the merger would likely result in the collapse of the current competitive market for Internet backbone services and replace it with a market dominated by two companies.

Sincerely,

/s/

Christopher J. Wright
