PETITIONER'S COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 274A to Milano, Texas as that community's first local FM service. Milano, Texas is an incorporated community with a population of 400 people and 20 businesses that have been given a credit rating by Dun & Bradstreet as of the last quarter of 2000.<sup>1</sup> Milano has its own mayor, its own independent school district, its own post office, volunteer fire department, city offices and a number of local churches. The proposed channel 274A will provide

additional diversity and an outlet for local self-expression to Milano residents and therefore is in the public interest.

Should this petition be granted and Channel 274A is allotted to Milano, Texas, Petitioner will apply for Channel 274A at Milano and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
