HIGHLY CONFIDENTIAL INFORMATION-SUBJECT TO  
SECOND PROTECTIVE ORDER IN WC DOCKET NO. 05-65  
BEFORE THE FEDERAL COMMUNICATIONS  
COMMISSION-COPYING PROHIBITED

Dear Mr. Remondino:

In response to the Information Request issued to AT&T Corp. ("AT&T") on April 18, 2005, and pursuant to instructions from the Staff, accompanying this letter are the following:

1. Three (3) boxes of photocopies of documents from AT&T Corp. custodians' files that are responsive to Requests 3(e) and 26 that were originally in hard copy form.
2. One (1) box of hardcopy documents that are responsive to Request 3(d).
3. One (1) box of hardcopy documents that are responsive to Request 8(d).
4. One (1) box of hardcopy documents that are responsive to Request 10.

5. One (1) box of hardcopy documents that are responsive to Request 25.
6. Five (5) sets of CD-ROMs containing AT&T's complete unredacted response.
7. Fifteen (15) additional CD-ROMs containing AT&T's unredacted narrative response.
8. Two (2) boxes of exhibits that are responsive to the data requests.

The information contained in the accompanying boxes and CD-ROMs is both commercially and financially sensitive and concerns proprietary information that AT&T would not in the normal course of business reveal to the public or its competitors. Accordingly, the accompanying information is being submitted on a confidential basis in its entirety pursuant to either the first or second Protective Orders in WC Docket No. 05-65, as marked. AT&T expects prompt notification of any "Acknowledgment of Confidentiality" seeking access to the documents, consistent with the Protective Order. AT&T also requests that at the conclusion of this proceeding all confidential materials submitted be returned.

Please let us know if you have any questions about this material.

Sincerely,

/s/ Lawrence J. Lafaro
