NOTICE OF PROPOSED RULE MAKING

Adopted: March 16, 2005

Released: March 18, 2005

Comment Date: May 9, 2005

Reply Date: May 24, 2005

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it for consideration a Petition for Rule Making filed by George S. Flinn, Jr. ("Flinn"). Flinn proposes the allotment of Channel 277C at Alturas, California, as potentially that community's fourth local service.¹ Flinn states that, should the Commission grant the allotment of Channel 277C at Alturas, he will file the necessary applications and take all necessary actions to construct the facilities for that new station.

2. Flinn represents that the proposed allotment of Channel 277C at Alturas would provide a first service to 42 persons in an area of 1,100 square kilometers, and a second service to 17 persons within an area of 1,350 square kilometers. This proposal warrants consideration because it complies with our technical requirements, would provide a potential first and second reception service, and therefore would serve the public interest.

3. The proposed allotment at Alturas could be made with the site restriction and reference coordinates indicated below. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), with respect to Alturas, California:

¹ We will consider this proposal separately from the other allotment changes proposed in Flinn's petition for rule making, filed August 27, 2003. The other changes proposed in the petition filed by Flinn, licensee of Station KWCA(FM), Channel 266A, Weaverville, California, involved the upgrade of Channel 266A to Channel 266C3, the reallocation of Channel 266C3 at Palo Cedro, California, and a downgrade of vacant Channel 267C, Alturas, California, to Channel 268C1, Alturas, California. Those allotment changes are under consideration in *Weaverville, Palo Cedro, and Alturas, California*, MB Docket No. 05-125, DA 05-727 (released March 18, 2005).

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required in paragraph 2 of the *Appendix* before a channel will be allotted.

5. Pursuant to Sections 1.415 and 1.419 of the Commission's Rules,⁴ interested parties may file comments on or before May 9, 2005, and reply comments on or before May 24, 2005, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Federal Communications Commission. Additionally, a copy of any filing should be served on counsel for Flinn, as follows:

6. Parties must file an original and four paper copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198.⁶
