RE: Ex Parte Communication
ET Docket No. 04-186

Dear Ms. Dortch:

On May 18, 2005, the following individuals met with Sam Feder, legal advisor to Chairman Martin on Spectrum and International Issues, regarding the above-referenced proceeding: David Donovan, president, MSTV; Dean Brenner, senior director, Government Affairs, QUALCOMM; Fred Fellmeth, general counsel for Total RF, Inc.; and Byron St. Clair with the National Translators Association.

We discussed our collective concerns regarding the Commission's proposal to permit unlicensed devices in the broadcast television band. We also discussed our comments filed previously in this proceeding. In addition, we presented Mr. Feder with the attached documents.

Sincerely,

A handwritten signature in black ink, appearing to read "David L. Donovan", is written over a large, stylized, looping flourish that extends across the width of the signature area.
