FCC INTERROGATORY NO. 6

6. Paragraphs 89 through 106 of the Charles River Associates Declaration argue that Sprint and Nextel are not each other's closest substitutes. Provide all Nextel exit surveys, including the actual survey questions and survey methodology, relied upon in this analysis. Table 10 of the Charles Rivers Associates Declaration provides information about exiting Sprint subscribers for which price was a main reason for leaving. Provide comparable Nextel surveys that ask subscribers the main reasons they are choosing to switch mobile wireless providers and the providers they are switching to and from.
