Re: *In the Matter of Applications for Consent to the Transfer of Control of Licenses and Section 214 Authorizations from AT&T Corp., Transferor, to SBC Communications Inc. Transferee, WC Docket No. 05-65*

Dear Ms. Dortch:

In accordance with conversations with the Staff of the International Bureau, I am enclosing an amended Exhibit 21(b)(1) to the Staff's Initial Information and Document Request of April 18, 2005. Due to a clerical error, the initial filing indicated that the pending basis (MTS) rate for off-peak calls to the Republic of Georgia was \$2.08 per minute – the rate to Germany which is listed directly below the rate to Georgia. The correct rate for calls to the Republic of Georgia is \$4.93. This filing, available for public inspection, corrects that error.

Sincerely yours,

Wayne Watts
Senior Vice President and
Associate General Counsel
