RE: Notification of Subscriber Transfer
CC Docket No. 00-257

Dear Ms. Dortch:

Pursuant to Section 64.1120(e) of the Commission's Rules, 47 C.F.R. § 64.1120(e), this letter provides notification of the transfer of certain Colorado local exchange subscribers of Premier Communications of Colorado, Inc. to Qwest Corporation and Qwest Long Distance Corporation, collectively known as Qwest.

Qwest will provide advance notice that it will become the new provider of certain Colorado local, interLATA, and intraLATA telecommunications services to Premier Communications of Colorado, Inc.'s customers unless they select another provider. Notice letters are expected to be sent on or about May 23, 2005, with the actual transition of customers to take place no sooner than 30 days from the date of the letter. The transfer of customers is expected to occur between June 27, 2005 and July 27, 2005.

A sample of the notification letter is attached hereto. Qwest certifies that it will provide advance subscriber notice in accordance with Section 64.1120(e)(3), 47 C.F.R. § 64.1120(e)(3), and that it will comply with the obligations specified in that notice and other statutory and Commission requirements that apply to the streamlined carrier change process.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Diana DeCorte

**PREMIER COMMUNICATIONS OF COLORADO, INC. IS CEASING TO PROVIDE
LOCAL AND LONG-DISTANCE TELEPHONE SERVICE IN COLORADO**

Dear Premier Customer:

Premier Communications of Colorado, Inc. (Premier) has received approval from the Colorado Public Utilities Commission (PUC) to stop providing you with local telephone service, and will therefore, cease operating as a telephone company in Colorado within the next 30 to 60 days. You should have recently received a letter from Premier explaining your options and informing you that the PUC would be appointing a default provider. Qwest® is that default provider and will become your provider on or about June 23, 2005, if you have not chosen an alternative provider prior to that time and if you do not have any prior unpaid bills with Qwest for regulated services. As part of this arrangement, Qwest will be receiving your account information from Premier.

To maintain continuity of your telephone service, the PUC ordered Qwest as the default provider to transfer you from Premier to Qwest local and long-distance service (if Premier provided your long-distance). If you are currently a customer of a long-distance company other than Premier, your long-distance provider will remain unchanged unless and until you request a change. Even if you are transferred to Qwest as the default provider, you may at any time choose another provider. For your convenience, the PUC and the Office of Consumer Counsel have prepared the attached list of alternative providers from whom you may choose. If you had asked Premier for a preferred carrier freeze on your local and/or long-distance services, those freezes have been lifted. If you are transferred to Qwest, please contact Qwest at the number below if you would like to institute a new freeze on any of your new service providers, otherwise please contact your new local service provider.

As ordered by the PUC, if you do not choose an alternative provider you will be transferred to Qwest service, at no charge to you, with the same telephone number and, to the extent possible, the same services and features that you have now, except they will be provided under Qwest's term and conditions and Qwest's rates. A copy of Qwest's price list is enclosed with this letter. Once your service has been transferred, you will receive a Welcome Letter from Qwest, informing you of your new services and features. If you were also a Premier long-distance customer, you will be transferred to a similar Qwest long-distance plan. Again, you are free to choose another long-distance provider other than Qwest at any time, and if you have any questions about the services or features identified in your Welcome Letter, please call Qwest at the 800 number listed below.

Depending on your credit history, Qwest may charge you a deposit. **Please note:** if you owe Qwest a previous bill for local telephone service, before Qwest will transfer your account, you must either pay Qwest what is owed or make acceptable payment arrangements. Of course, you may always choose another provider to ensure your service is continued without disruption.

You may call Qwest at 1 886-283-0046 to discuss a previous Qwest residential bill, choose another long-distance carrier, or for any other questions you might have including questions about Qwest's rates, terms and conditions for service. For a previous Qwest business bill, or to choose another business long-distance carrier, or for any other business service questions you might have, you may call Qwest at 1 877-207-4508.

Please be assured that your transfer to Qwest service, as ordered by the PUC, in no way prevents you from choosing a different local or long-distance provider at any time. If you have any questions or complaints regarding your service with Premier, please either call Premier directly, or the Colorado Public Utilities Commission at 303-894-2070 or if outside of the Denver metro area at 1 800-456-0858.
