**VIA ELECTRONIC DELIVERY**

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street, S.W.  
Washington, DC 20554

**Re: T-Mobile USA, Inc. Supplemental Report & Erratum to May 2, 2005  
Quarterly Report**

Dear Ms. Dortch:

Paragraph 10(e) of the consent decree between T-Mobile USA, Inc. (“T-Mobile”) and the Federal Communications Commission (“FCC” or “Commission”) related to T-Mobile’s deployment of E-911 Phase II services directs T-Mobile to file a supplemental report on its compliance with the benchmarks sent forth in paragraphs 8(a)(6) and 8(a)(7) of the consent decree within 15 days of the deadline for compliance with those benchmarks.<sup>1</sup> Paragraphs 8(a)(6) and 8(a)(7) require that T-Mobile deploy Phase II requests received prior to April 30, 2003, and requests received between April 30, 2003 and February 28, 2004, respectively, to 100% of a PSAP’s coverage area or population within 22 months after release of the consent decree (i.e., by May 17, 2005). T-Mobile is pleased to report today that it has satisfied both benchmarks in a timely fashion. Attached to this transmittal is a spreadsheet providing the status, as of May 17, 2005, for all E911 Phase II requests received by T-Mobile prior to March 1, 2004.<sup>2</sup>

---

*In the Matter of T-Mobile, USA, Inc., Order, File No. EB-02-TS-012, FCC 03-172 (rel. July 17, 2003).*

<sup>2</sup> Note that in its most recent E911 Quarterly Report filed on May 2, 2005, T-Mobile inadvertently listed as not deployed a number of PSAPs that had in fact been fully deployed by that date. (These PSAP requests were subject to the May 17, 2005 benchmark.) For the Commission’s convenience T-Mobile is filing along with this supplemental report an erratum to the full May 2 Quarterly Report reflecting the corrected deployment information for these PSAPs as of May 2, 2005.

Included with this letter is a declaration from an officer of T-Mobile attesting to the truth and accuracy of this Report. T-Mobile is also furnishing a copy of this Report to the Executive Directors and counsel for the Association of Public-Safety Communications Officials-International, Inc., the National Emergency Number Association, and the National Association of State Nine One One Administrators. Please contact the undersigned should there be further questions.

Respectfully submitted,

---

Robert A. Calaff  
Director – Federal Policy
