Control Applications, WC Docket No. 05-65

Dear Ms. Dortch:

On June 3, 2005 Larry Lafaro, Richard Rubin, Rick Pappalardo, Russ Henry, Phillip Warn, Pat Boyle, James Dionne, Christopher Crawford, Lauren Thompson, and the undersigned, all with AT&T, and David Lawson of Sidley Austin Brown & Wood, counsel for AT&T, met by telephone with William Dever, Marcus Maher, Roger Woock, and Pamela Megna of the Wireline Competition Bureau and James Bird and Kent Nilsson of the Office of the General Counsel. The purpose of the call was to discuss clarifications to AT&T's responses to specifications 16, 16(b)(1-5), 16(d) and 18 of the Initial Information and Document Request that the FCC would like AT&T to place in the record of the above-captioned proceeding.

Consistent with Section 1.1206 of the Commission's rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-captioned proceeding.

Respectfully submitted,
