of Control (WC Docket No. 05-75) SUPPLEMENTAL FILING**

Dear Ms. Dortch:

This letter provides notice for the public record that, on behalf of MCI, Inc. (“MCI”), undersigned counsel today transmitted to the Commission certain supplemental material in the above-named matter – including highly confidential material subject to the Second Protective Order¹ adopted in this proceeding. This material pertains to and supplements MCI’s filing of May 26, 2005. Specifically, MCI is filing today additional materials that make up Highly Confidential Exh. 6(a)(1) (redacted), and an amended version of its narrative response to Specification 6(a)(1).

Pursuant to our prior agreement, MCI will file two paper copies of today’s redacted exhibits. As required by the Protective Order, MCI is also submitting separately a copy of today’s confidential, unredacted exhibits, and two electronic copies of today’s exhibits.

As specified in the May 5th request and pursuant to conversations with FCC staff, staff will be provided with electronic copies of the confidential, unredacted exhibits.

MCI’s complete response to the May 5th request, including the materials referenced herein, will be made available for inspection, pursuant to the terms of the applicable protective order, at the offices of Jenner & Block LLP. Counsel for parties to this proceeding should contact Elaine Goldenberg at 202-637-6310 to coordinate access.

Sincerely,

/s Mark D. Schneider
