Media Bureau

PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 250A to Crowell, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 250A to Crowell, Texas as that community's first competing FM service<sup>1</sup>. Crowell is an incorporated community with a population of 1,141 people.<sup>2</sup> Crowell has its own mayor,

<sup>1</sup> The vacant allotment, Channel 293C3 is allocated to Crowell, Texas  
<sup>2</sup> U.S. Census 2000

Scott Bradley, its own school district, the Crowell Independent School District, fire department, City Hall, post office and a number of local churches. Crowell is a community that is certainly deserving of a competing FM Service. The proposed channel 250A will provide additional diversity and an outlet for local self-expression to Crowell residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 250A can be allocated to Crowell, Texas, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

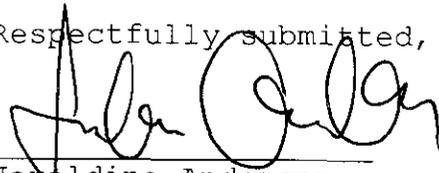

Reference coordinates for Channel 250A at Crowell, Texas are:

34 00 00 N  
99 46 18 W

Should this petition be granted and Channel 250A is allotted to Crowell, Texas, Petitioner will apply for Channel 250A at Crowell and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,

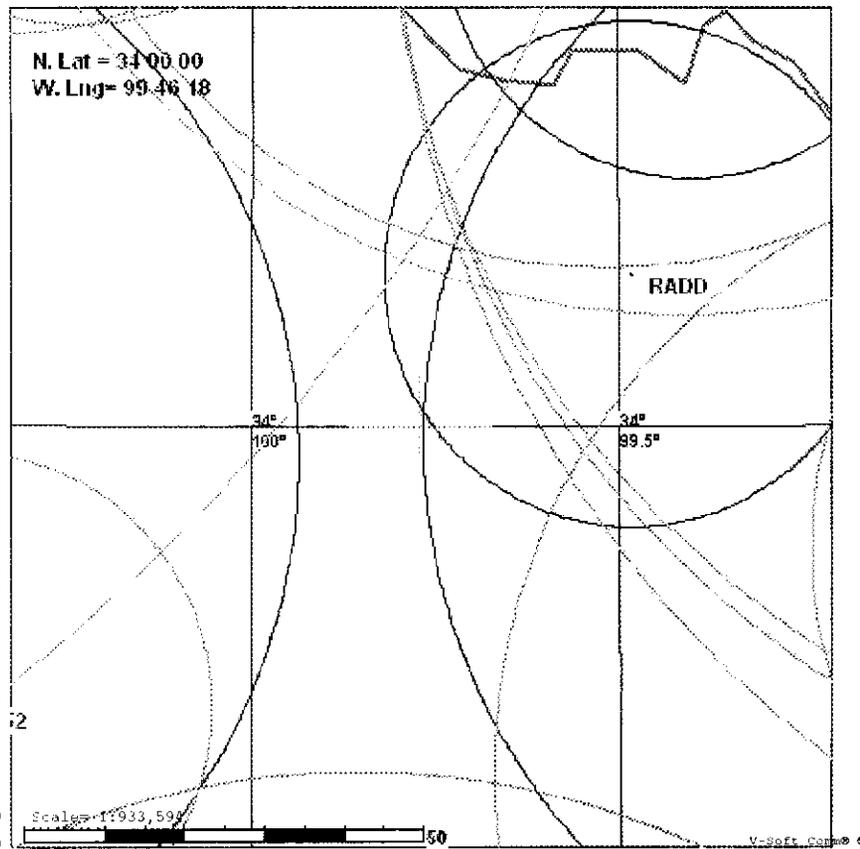

Jeraldine Anderson  
1702 Cypress Drive  
Irving, Texas 75061
