Re: Notice of Ex Parte Presentation in WC Docket No. 04-36, 05-196

Dear Ms. Dortch:

On June 16, 2005, John Ryan, Tom Boasberg and Cindy Schonhaut of Level 3 Communications, LLC (Level 3), and the undersigned on behalf of Level 3 met with Julie Veach, Acting Chief, Competition Policy Division, Wireline Competition Bureau, Christi Shewman, Nicholas Alexander, Carol Simpson and Tim Stelzig, of the Wireline Competition Bureau. The attached document was distributed at the meetings. The Level 3 participants made the point that the rules in the Commission's VoIP E911 Order only makes sense when applied to those entities that provide interconnected VoIP services to end user customers, rather than wholesale providers. We urged the Commission to modify its order through *sua sponte* reconsideration.

Please contact me if you have any questions.

Sincerely,

/s/

John T. Nakahata  
*Counsel for Level 3 Communications*
