Re: Telecommunications Relay Services and Speech-to-Speech  
Services for Individuals with Hearing and Speech Disabilities  
CC Docket No. 98-67 and CG Docket No. 03-123  
Notice of Ex Parte Presentation

Dear Ms. Dortch:

The purpose of this letter is to report that on June 10 and June 13, 2005, Pat Nola, Chief Operating Officer of Sorenson Communications, Inc., formerly Sorenson Media, Inc. ("Sorenson"), spoke with Monica Desai, Chief of the Consumer and Governmental Affairs Bureau, by telephone concerning the speed of answer requirement for the provision of video relay service ("VRS").

During the brief conversations, Mr. Nola reviewed the comments filed by Sorenson in the above-captioned proceeding regarding the speed of answer requirement. Specifically, Mr. Nola discussed Sorenson's recommended speed of answer time for VRS calls and reiterated Sorenson's position that the speed of answer standards should be phased in over a three year period.

This filing is made in accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206. Should you have any questions regarding this filing, please contact me.

Sincerely,

  
Sharon M. Bertelsen
