Re: MB Docket No. 05-49.

Dear Ms. Dortch:

Yesterday, Wade Hargrove of the law firm of Brooks, Pierce, McLendon, Humphrey & Leonard representing the ABC, CBS, NBC, and Fox Television Affiliate Associations, and Anita Wallgren of the law firm of Sidley Austin Brown & Wood and the undersigned representing the National Association of Broadcasters met with Mary Beth Murphy, Eloise Gore, Ron Parver, Evan Baranoff, Marla Hackett, and Sarah Pahnke of the Media Bureau to discuss issues in the above-referenced proceeding.

Requirements relating to equivalent/entire bandwidth and that subscribers in local-into-local stations "receive" local stations as a pre-condition for receiving distant significantly viewed signals were discussed, as were issues relating to the definition of satellite community.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,
