¹ We note that assignment applications for some of the FCC licenses subject to the Asset Purchase Agreement (that is, the receive-only earth stations held by Adelphia), have not been filed as of this date. In the case of receive-only earth stations, our procedures do not require the filing of transfer or assignment applications, but instead require that the Applicants report the changes in station operator on FCC Form 312 and Schedule A. These changes are then published in the International Bureau's routine Actions Taken public notices and recorded in the Bureau's appropriate data base. See *Deregulation of Domestic Receive-Only Satellite Earth Stations*, Second Report and Order, FCC 86-133, 104 FCC 2d 348, 353 (1986); *New Rules for Part 25 – Satellite Communications*, Public Notice, DA 91-763, Report No. DS-1097, 6 FCC Rcd 3738 (1991); and *Implementation of New Part 25 Regulations for Satellite Space and Earth Station Application and Licensing Procedures*, Public Notice, DA 97-1967, Report No. SPB-104, 12 FCC Rcd 13850 (1997). Thus, if the proposed transactions before us are ultimately approved, we expect the Applicants will report changes in the ownership of the receive-only earth stations listed in Appendix P of the Applications and Public Interest Statement, as we view these receive-only earth stations within the scope of the transactions now under review.
