Re: Errata – NARUC June 24, 2005 filing of Initial Comments in the proceeding captioned: *In the Matter of Truth-in-Billing and Billing Format*, CC Docket No. 98-170, *National Association of State Utility Consumer Advocates' Petition for Declaratory Ruling Regarding Truth-in-Billing*, CG Docket No. 04-208

Dear Ms. Dortch and Mr. Caton:

Yesterday, Bill Caton called to tell me that only the first 4 pages of my initial comments were filed Friday. I genuinely appreciate the fact that, in spite of how very busy your office must be, Mr. Caton took the time to call me, point out the missing pages, and suggest I refile a corrected version.

I found and examined the adobe file I filed. In the conversion somehow approximately 10 pages were lost. Moreover, I also noticed it was not captioned correctly. I corrected the caption and, I confess, made some other relatively minor changes to the first few pages and am refiling it today.

I respectfully request these comments be substituted for the erroneously truncated ones filed Friday. Alternatively, please treat these as a written *ex parte* for filing in the record or early reply comments.

Thanks again for your help and meticulous oversight of the filing process. Do not hesitate to call me at 202.898.2207 or e-mail me if there are any further questions about this filing.

Respectfully Submitted:
