

PRIOR TO THE INDIANA LAW COMING INTO EFFECT WE RECEIVED TELEMARKETING CALLS AT ALL HOURS OF THE DAY AND NIGHT. THE TELEMARKERS WOULD PROGRAM THEIR COMPUTERS TO MOVE THE CALL TIME IF THEY DID NOT RECEIVE ANSWERED CALL. HENSE CALLS WOULD COME AT DIFFERENT HOURS OF THE DAY. MOST WERE TARGETED FOR 6 P.M. 7 DAYS A WEEK. THIS IS A GROSS INVASION OF PRIVACY, THE INDIANA LAW ALLOWS PERSONS WHO WANTS THESE CALLS TO SIMPLY "NOT SIGN UP" ON THE NO CALL LIST. THE FCC WHILE PREFORMING A VERY VALUABLE SERVICE TO THE PUBLIC WOULD DO A GREAT DISSERVICE IF YOU WEAKEN THE INDIANA LAW.
