

Indiana's "Do Not Call" list has been phenomenal. I have received almost zero irritating, evening-interrupting telemarketing calls.

I cannot tell you how much I appreciate the time, effort, and energy

I have been saved by not having to respond to pushy, unwanted phone

calls. I have not and will not ever respond to a telemarketer - if I want a product, I will go get it on my time, in my way.

PLEASE DO NOT TAKE THIS AWAY FROM US.

Thank you!
