RE: *Verizon Communications Inc. and MCI, Inc. Applications for
Approval of Transfer of Control – WC Docket No. 05-75
Amendment to Application*

Dear Ms. Dortch:

By this letter, the Applicants in the above-referenced proceeding are providing the Commission notice that networkMCI, Inc. was merged into MCI Network Services, Inc., effective June 30, 2005. NetworkMCI, Inc. was a wholly-owned subsidiary of MCI, Inc. (“MCI”) which held a domestic section 214 authorization. Both networkMCI and MCI Network Services were included in the above-referenced application to transfer control to Verizon Communications Inc. (“Verizon”). This merger is purely *pro forma* and does not involve any change in ownership or operation of any of the MCI subsidiaries.

An amended Exhibit 2 to Applicants’ application to transfer control of domestic section 214 authorizations, reflecting the elimination of networkMCI, Inc., is being submitted as Attachment A to this letter.¹ In addition, MCI’s Form 602 and the proposed combined Verizon-MCI Form 602 are being updated to reflect this change.

If you have any questions or require anything further, please do not hesitate to contact us.

Respectfully submitted,

/s/ Curtis L. Groves

¹ MCI holds a 100% direct or indirect ownership interest in each of these entities.

² Military Communications Center, Inc. (“MCC”), a wholly-owned subsidiary of MCI, is the subject of an application for transfer of control of its domestic section 214 authorization to a third party. *Military Communications Center, Inc., a wholly-owned subsidiary of MCI, Inc., and MCC Acquisition Corporation, Joint Application for Consent to Transfer Control of a Company Holding a Domestic Section 214 Authorization Pursuant to Section 214 of the Communications Act of 1934, as Amended*, WC Docket No. 05-223 (June 22, 2005). If the sale of MCC is completed prior to the consummation of this transaction, the parties will later amend this application to delete MCC’s Section 214 authorization from the list of Section 214 authorizations being transferred to Verizon.
