Re: Appropriate Framework for Broadband Access to the Internet Over Wireline Facilities, CC Docket No. 02-33; Verizon's Petition for a Declaratory Ruling or, Alternatively, Interim Waiver and Verizon's Conditional Petition for Forbearance under 47 U.S.C. § 160(e) with Regard to Broadband Services Provided via Fiber to the Premises, WC Docket No. 04-242

Dear Ms. Dortch:

On July 20, 2005, Mr. Michael Glover and the undersigned, representing Verizon met with Mr. Daniel Gonzalez and Ms. Michelle Carey of the Chairman's office regarding the above proceedings. Verizon emphasized that, in light of the Supreme Court's Brand X decision, the Commission should allow all packetized broadband services to be offered on a private carriage basis under Title I, regardless of whether provided by a telephone company or cable company.

Sincerely,

A handwritten signature in black ink that reads "Susanne A. Guyer".
