

I support strong state-level protections against telemarketing.

I don't want pre-recorded messages or telemarketing, even from your own bank or companies with which you do business.

I want to see the FCC fix the "established business relationship" loophole so that businesses can't telemarket individuals unless they first give clear notice of the intent to telemarket, and gain verifiable, affirmative consent of the customer.

I want to see the FCC deny the petitions filed in the following docket numbers: CG Docket No. 02-278, DA 05-1346, DA 05-1347, DA 04-3185, DA 04-3187, DA 04-3835, DA 04-3836, DA 04-3837, and DA 05-342.
