Re: *Appropriate Framework for Broadband Access to the Internet over Wireline Facilities, WC Docket Nos. 02-33, 95-20, 98-10 (Broadband NPRM)*

Dear Ms. Dortch:

Yesterday, Michael Pryor, of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo PC, representing NuVox, Inc. and Covad Communications, and Praveen Goyal and I, of Covad Communications, met with Michelle Carey, Legal Advisor, Wireline, of Chairman Martin's office, to discuss the status of the above-referenced proceeding. During the meeting, participants discussed the common carriage status of wireline broadband services and the continuing need of competitive carriers for access to unbundled local loop and transport facilities to provide competitive voice and data telecommunications services. No written materials were presented at the meeting.

Pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b), an electronic copy of this notice is being filed in each of the above-referenced proceedings.

Respectfully submitted,

/s/ Angela Simpson
